SCHOOL LIBRARY SYSTEMS

According to Education Law 90:18, the School Library System is an organization of school districts and nonpublic schools cooperating with a board of cooperative educational services (BOCES) to provide library coordination and/or services to member school library media centers under a school library system plan of services approved by the Commissioner. To be a member of the school library system, a school district or nonpublic school must be approved by the Commissioner. Eligibility for State aid to a school library system is determined by enrollment.

PLAN OF SERVICE

According to Education Law 90:18, the governing board and the council shall be responsible for development of the Plan of Service. Upon approval by the council, the governing board shall submit the plan to the Commissioner for approval. After approval by the Commissioner, it shall be the responsibility of the governing board and the council to monitor the implementation of the plan of service.

CoSer 510.000
Library Services
Contact: Brian Crawford
716-376-8239 or email at:
Brian_crawford@caboces.org

This service provides 21 st Century staff and students with resources at their computers. It includes collections of periodicals, newspapers and reference resources. The resources support instruction and information needs.

The resources assist in researching curriculum-related assignments and gives equitable access to information through cooperative purchases. Valuable instruction time is saved because trial subscriptions to databases and securing the best prices of the databases are all managed by School Library System staff. The choice of databases is entirely individual by district or by building.

510.100 Online Databases

Interlibrary Loan (ILL)

CASLS was established in 1986 to facilitate the sharing of resources. This can be easily done by utilizing the Western New York Regional Union Catalog www.wnyslcat.wnyric.org. Once you have successfully searched the catalog and found the resource, simply select “ILL Request” and the request will be sent to the lending library. You will be asked to record total number of intra-library loans for a school year on the Member Plan distributed to you each spring.

CASLS’ School Libraries can use this same process to borrow from the 3 other School Library Systems; they are Erie 1, Erie 2 and Orleans-Niagara. If the resource required is located in one of these systems, the item should be sent directly to our CASLS’ Office and we will gladly forward it to the borrowing library! The same is true if our CASLS’ School Libraries lend to the other systems, send the item to the CASLS’ Office and we will forward to the borrowing system.

Lastly, CASLS’ subscribes to Online Computer Library Center (OCLC) . The CASLS’ Office is able to search worldwide for any of your Interlibrary Loan needs. Please contact the CASLS’ Office and we will gladly conduct a search for your request! The CASLS’ Office will maintain these interlibrary loan statistics.

Member Plan

The New York State mandated Member Plan is distributed to the CASLS’ School Libraries during the month of May each year. So much of the data reported by the school library media specialist is required for the CASLS’ Annual Report due to New York State in the Fall. Please return the Member Plan to the CASLS’ Office by mid-June of each school year. The Member Plan is also a great tool for planning and shared communication with the Administrative Staff in each school district.

MediaNet

MediaNet is the online booking system showing all resources available through the CoSered BOCES Media Services. The Professional Library collection can be reviewed on MediaNet. The formats include print material, digital content, CD-Roms, kits, multiple book copies, DVD and audiobooks, all housed at the Olean Center. MediaNet can be searched and items reserved all through the BOCES website: www.caboces.org. Select “Media Services” and “MediaNet”. Faculty and Staff have access to the MediaNet, but may prefer the expertise of the Library Media Specialist in completing requests.

If you are new, or have new faculty, select “Need an Account?” to register as a user.

For more information, call Rachelle Evans at 716-376-8212.

Ordering Satellite / Off-Air Programs

To request a program taping, use the BOCES MediaNet <http://media2.caboces.org> , select “MediaNet Contacts” , then Lynn Kuc. Lynn may also be reached at 716-376-8314.

Wed, Sept 12, 2012	Olean BOCES
Fri. Jan. 25, 2013	Hinsdale
Thurs. May 16, 2013	Pioneer MS

Communication Coordinators Meetings:

The Communication Coordinators Meetings provide two-way communication between the School Districts' Libraries and the School Library System. Information from the State, BOCES, and School Districts is shared with and among the Liaisons. The meetings provide an excellent opportunity for librarians to network!

Membership Days:

Membership Days are planned with the Communication Coordinators during the Communication Coordinators Meetings. The purpose of the 2 scheduled days is to provide training and discussion on a variety of issues/topics which affect the librarians, their staff and the teaching staff in their school library and school setting. Pre-registration is required.

SCHOOL LIBRARY SYSTEM COUNCIL

According to Education Law 90:18, each school library system shall have a school library system council which shall meet four times a year. Such a school library system council shall be comprised of at least nine members. These representatives include members in the school library system and providers and users of library services in the school library system, community, public and academic affiliates.

The plan of service shall specify the method of appointment of the school library system council. The school library system council members shall serve three-year terms. The council shall be appointed for terms of from one to three years so that, as nearly as possible, one-third of the members of the council shall thereafter be appointed each year. A vacancy on the school library system council shall be filled by the governing board for the duration of the term of the vacancy. Members shall serve without compensation.

Council Meeting Dates

Mon., Aug. 20, 2012	11:00 CASLS Office
Wed., Oct. 10, 2012	4:00 CASLS Office

Our Mission

The mission of the Western New York Library Resources Council is dedicated to enhancing access to information, encouraging resource sharing, and promoting library interests for its members that serve the people of Western New York.

Regional Virtual Catalog

By partnering with our member libraries and library systems, patrons in our region can search more than 22 library catalogs in WNYlibraries.org—all at the same time to find out which library has the books, DVDs, serials, and CDs they need.
